

The **Strandwood Library Birthday Book Club** is the perfect way to celebrate reading, our school library and your child's birthday. For those who wish to participate, Mrs. Burns, our school teacher librarian will purchase and present a brand-new book during your child's library period. The book will include a custom book plate on the inside cover indicating your child's name. Your child will then be the first person at school to check out the book from our library. Once returned, the book will become part of our library collection to be enjoyed for years to come. **All June, July and August birthdays are celebrated on the student's half birthday (December, January and February).**

Please complete the bottom portion of this form if you wish to participate. Submit the form along with a donation of \$15 (if paying by check: "Strandwood Library") to either Mrs. Burns or our office staff. **Forms and payment must be received at least one month prior to your child's special day.** Thank you for supporting our library!
